CIERA's mission is to improve the reading achievement of America's children by generating and disseminating theoretical, empirical, and practical solutions to persistent problems in the learning and teaching of beginning reading.

Monday, June 21, 1999

Presentations from CCSSO Available Online!

Samuel Meisels, Scott G. Paris, and P. David Pearson represented CIERA at the Council of Chief State School Officers at Snowbird, Utah on June 14, 1999. Their presentations are now available online!

Please visit the [Presentations Page](#) to download these presentations.

New Reports Available Soon!

Website Exclusive! CIERA will soon be releasing eight new reports in the CIERA Report Series. One page PDF formatted summaries are now available for preview only on the CIERA website.

What's New in Reading Research?

For the past several years, CIERA has published a series of reports on the state of reading research. This report, "What's New in Reading Research?", provides a comprehensive overview of the most recent findings in the field. The report is organized into three main sections: "What's New in Reading Research?", "What's New in Reading Research?", and "What's New in Reading Research?".

Improving the Reading Achievement of America's Children: 10 Research-Based Principles

Improving the Reading Achievement of America's Children: 10 Research-Based Principles

1. Provide explicit instruction in reading skills.

2. Use a variety of reading materials.

3. Provide a rich reading environment.

4. Encourage reading for pleasure.

5. Monitor student progress.

6. Provide individualized instruction.

7. Encourage parental involvement.

8. Provide a safe and supportive learning environment.

9. Encourage student self-regulation.

10. Encourage student motivation.
